Miami's popularity is often associated with South Beach, but according to Expedia, many of the most popular hotels can be found elsewhere in the city.

USA TODAY asked Expedia to review its data to determine the 20 most booked hotels in Miami and other key U.S. destinations.

The most in demand hotel is an airport hotel: Miami International Airport Hotel

Half the most popular hotels were at or near the airport.

But some hip Miami Beach legends also made the list. The Fontainebleau Miami Beach and W Miami are seeing healthy business.

Downtown Miami has seen a resurgence in recent years, with new hotels and shopping centers being built. The Miami Worldcenter complex is development. When completed, it will add more than 1,700 hotel rooms.
